- **LEAD Foundation International was founded in 2018 and formally approved as a non-profit 501(c)(3) on February 14, 2019.**
- **MISSION:** To lead people to Christ by walking consistently, working cooperatively and holistic love – to bring the light and the breath of God!
- **LEAD = Luz y El Aliento de Dios**
- **VISION:** A partnership of evangelism and social action – to improve lives through programs and solutions to the daily struggle while bringing God's help, healing and hope to the under-served communities around the Globe. While giving a portion of fish, we intend to teach people how to fish – to facilitate and enable victory in and through Jesus Christ.
